Our wedding weekend will take place near the Appalachian Trail at Mountain Meadows Lodge, Killington, VT. We are excited that the setting is in the mountains along the trail where we met.

Hiking boots are optional, but we do encourage you to take a short walk if you are so inclined. Mountain Meadows is also situated on a lake, so boating and swimming are options if you prefer.

Most of all, we hope you will come spend time with family and friends.

Travel and lodging recommendations are listed on the reverse. Do not hesitate to contact us should you have any questions.

With much love,

Haidee + Todd
