Dear Family and Friends,

Please mark your calendars for the weekend of June 10, 2006 to celebrate our wedding! We are excited to have you all together at Mountain Meadows Lodge for the weekend. We chose Mountain Meadows because of its location on the Appalachian Trail. The Appalachian Trail, a continuous footpath from Georgia to Maine, has been an important part of our lives. We met and got engaged on the trail, are getting married on the trail, and will then finish hiking to Maine for our honeymoon! It was important to us that our wedding reflects our passion for the trail. We hope you will all agree with us that Mountain Meadows is the perfect location for our wedding!

Mountain Meadows is a renovated farm surrounded by mountains vistas, acres of rolling hills, and wooded landscape set on Kent Pond and the Appalachian Trail. The property will be ours for the entire weekend, so we encourage you to arrive Friday afternoon and stay as long as you can to celebrate. The wedding will take place late Saturday morning, followed by a reception and an afternoon of outdoor fun. The celebration will conclude with a bonfire by the pond Saturday night. During the weekend stay, the lodge offers many choices for entertainment. Outdoor activities include canoeing, kayaking, row-boating, and fishing as well as lawn games and a hot tub. Inside guests can also enjoy table tennis, billiards, video games and a sauna. The Appalachian Trail crosses the property with waterfalls a short hike away. Also located on the farm are many barnyard animals that enjoy interacting with guests.

Please see the enclosed sheet for travel information. We encourage you to make your reservations for Friday and/or Saturday as soon as possible. We will be sending wedding invitations in the Spring, but please do not wait until then to reserve your rooms.

We are excited to spend this weekend of love and celebration with our friends and family!

Love,
